VOLUME NUMBER 90 | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, MARCH 30, 1950 | NUMBER 50

## WATER BOND ELECTION AT CAMERON APRIL 18

A bond election for the City of Cameron to purchase Community Public Service will be held here April 18, according to Mayor Roy Griffith.

The City Council voted unanimously at a called meeting Friday night to purchase the local water company for $300,000.

In case the election carries and the water plant is purchased, the City can borrow money at 2.648 per cent interest and the bonds will be revenue bearing. No taxes will be used for payment, only revenue from the system itself would be used to retire the bonds.

At the meeting of the council, 15 bond-buyers were present, and of these, 7 already have placed bids.

## March 31 Is Last Day To Buy License For Cars For 1950

Friday, March 31 is the last day to buy without penalty your car and truck license plates for 1950.

Under the law these new plates must be on cars and trucks by April 1st.

According to the Tax Collector's office registrations are about normal. Up until March 23 approximately 2300 plates had been sold.

Valter White, tax collector, will have all his office force ready for the rush, but believe that if car and truck owners would go early they can avoid the last minute press of details.

## Rate Decrease Due May 1 on Car Insurance

Most automobile insurance likely will cost a little less after May 1.

Will Thompson of Dallas, speaking for the insurance industry, recommended to the State Board of Insurance Commissioners Thursday that it apply the rates indicated by an experience chart prepared by Paul Benbrook, department actuary.

Statewide, it indicated a 9.8 per cent cut in fire and theft insurance rates for passenger cars, 13.4 per cent cut in "complehensive" coverage and 3.8 per cent decrease in $50 deductible collision.

For the Dallas-Fort Worth area, Benbrook figures indicate a 2 per cent reduction in bodily injury liability rates and 6.9 per cent increase in property damage rates.

Other liability insurance trends: Harris County, bodily injury rates up 9 per cent and property damage up 11 per cent; San Antonio-Rio Grande Valley-East Texas oil field group, property damage down 1.9 per cent; other areas, bodily injury up 1.9 per cent and property damage down 4.8 per cent.

## Council Votes To Pay Bill Richter For Service As Driver

At the regular meeting of the City Council last Tuesday night an assistant fire truck driver was authorized. Bill Richter, who has filled the place as volunteer driver for the past twenty-one years, was approved by the Council for the place and will now serve on a salary for the first time. His brother, Frank Richter, Sr. has been employed as the only paid driver for the department for the past twenty-nine years.

During the entire time the Richter brothers have served as drivers for the department not a single accident of any kind has occured. Mr. Richter was approved by a committee appointed by Mayor Roy Griffith to select a second driver. The committee was composed of Ralph Michalka, fire chief, John Eanes, fire marshal and Frank Richter, Sr., driver.

## Cameron Wins Over Caldwell Tuesday

The Cameron Yoemen held off a last inning Caldwell rally in Cameron Tuesday to defeat Caldwell 5-4 in a baseball victory.

The accurate batting of Gordon Gibson gave the Yoemen an early lead as he made three hits in as many trips to the plate.

The Yoemen scored three runs in the first inning and two in the sixth while Caldwell scored it's runs in the seventh inning.

Richard Wilkerson was the winning pitcher.

## Milam County School Trustee Eelections Will Be Held April 1

School trustee elections over Milam County will be held in some districts on Saturday, April 1, 1950 as prescribed by law, according to Dr. C. G. Swift, president of the Cameron school board.

In Cameron, the trustee election will be held at the city hall. Voting will begin at 8 a. m. and close at 7 p. m.

The terms of Dr. Swift and W. C. Wallace have expired, who have been solicited by friends to permit their names to appear on the ballot again.

Emory B. Camp has indicated that he will be a candidate for a place on the board, and his announcement will be made at a later date.

Terms expiring on the county school board are John B. Henderson, P. F. Fuchs and O. D. Graham, who are expected to ask for re-election. Will Spiegel and H. H. Pruitt are other members of the board.

## CAMERON WINS THREE PLACES IN TRACK MEET

According to the complete track summary Malone won third place in the 120 yard high hurdles, Tommy Michalka won first place in the 880 yard run and Gordon Gibson won first in the field in the discuss toss.

Following is a list of the summary.

120-yard high hurdles—Won by Blake, Lampasas; second, Smith, White Oak; third, Malone, Cameron; fourth, Marlowe, Waco. Time 16 flat.

440-yard relay—Won by White Oak; second, Temple; third, LaVega, (no fourth place). Time 47 flat.

Mile relay—Won by Luling; second, Temple; third, LeVega; fourth, Rosebud. Time: 3:48.

Shotput—Won by Thomas, Lampasas; second, McGhee, White Oak; third, Van Fleet, Austin; fourth, Riley, McGregor. Distance: 48 feet 9 inches.

Discus—Won by Gibson, Cameron; second, McGhee, White Oak; third, Davis, Luling; fourth, Torjan, Rosebud. Distance: 117 feet 2 inches.

High jump—Won by McGhee, White Oak; second, three-way tie among Cox, Waco; Modesette, White Oak; and Clay, Waco. Height 5 feet 8 inches.

Broad jump—Won by Kass, LaGrange; second, Holmes, Seguin; third, Modesette, White Oak; fourth, Tawater, Rosebud. Distance: 20 feet 6 1-2 inches.

Pole vault—Won by D. Barron, Georgetowmn; second, three-way tie among Tutor, Temple; Moore, McGregor; and Donley, Marlin. Height: 10 feet 6 inches.

## Dogwood Trail Traffic Will Be Rerouted

A new routing system has been devised for the dogwood trails to handle the rush of visitors. Thousands were unable to get through Davey Dogwood Park last Sunday because of a heavy traffic jam.

"We believe we've gone a long way toward solving traffic difficulties for next Sunday," Ed Bigbee, Trails Association president, said.

isitors will be met on all highways leading into Palestine and directed to the park over several different routes.

Mr. and Mrs. Earl C. McFarland, son and daughter, Mrs. Annie Richards and Tommie Buffington visited relatives in Houston Sunday.

## EMORY B. CAMP SEEKS PLACE; SCHOOL TRUSTEE

TO THE VOTERS OF CAMERON INDEPENDENT SCHOOL DISTRICT:

I have filed my name as a candidate for School Trustee. I have done this because of my great interest in our school system and because of the urging of many interested mother and fathers.

If elected, I pledge you that I will devote all of the time necessary to the job of Trustee for the purpose of improving our educational system in every way possible so that our boys and girls of today have every opportunity to prepare themselves for the duties and responsibilities of the men and women of tomorrow.

I pledge myself to a program of equal opportunity and treatment to every child in our school with favors and special privileges to none.

When elected, I invite you to discuss your school problems with me at any time.

I earnestly solicit your vote and active support.

Respectfully,

EMORY B. CAMP

## H. B. Madeley Severly Injured In Car Accident

H. B. Madeley, Cameron business man is in Newton Memorial Hospital suffering a broken left leg and other injuries sustained in a car accident Saturday evening near Somerville.

Mr. Madeley was traveling south on highway 36 when C. D. Green, 19, negro of Chriesman, traveling north collided head on with his automobile. Helen Washington and Nelson Crockett, occupants of the Green car were taken to a Somerville hospital for treatment.

Mr. Madeley was rushed to the Newton Hospital by a Somerville ambulance.

The accident occured 6:45 p. m. Saturday evening one and half miles this side of Somerville.

C. D. Green was charged with aggravated assault with a motor vehicle in Burleson County court.

Both automobiles were completely demolished .

Mr. Madeley is owner and operator of the Madeley Radio Repair Shop located in the Farm Bureau office building.

## Dust Storm Reported In Texas Panhandle

High winds Sunday bit chunks from the nation's breadbasket, whipping dust over the wheat fields of the Texas Panhandle, Kansas and Oklahoma.

The District Weather Bureau at Kansas City said winds averaged about 40 miles an hour over the area, with gusts up to 60 miles an hour.

At the peak of the blowing dust Sunday morning the weather bureau likened it to the disastrous blows of the 1930s.

The Weather Bureau at Dallas late Sunday afternon reported dust in the air from Waco, in Central Texas, to the Panhandle.

Temperatures in Texas were mild Sunday, but a mild cold front blew in Sunday night.

PROCLAMATION

Whereas: the disease, cancer, represents a community health problem in Cameron, as well as throughout the nation.

Whereas: Measures must be taken to cut down the present cancer death-rate, easing the tragedy for individuals and lightening the community burden fo the great social and economic losses resulting from cancer.

Whereas: Cancer Control, to be effective, must be the vital concern of each and every one of us, therefore, I, Roy Griffith, Mayor of the City of Cameron hereby proclaim April as Cancer Control Month and request that the citizens of this city observe it as such.

I urge all residents of Cameron for the protection of themselves and their loved ones—learn the essential facts about this disease. I further request that all individauls, institutions, businesses, and organizations support, cooperate with and assist the County Unit of the American Cancer Society in the 1950 Cancer Crusade.

Given under my hand and the seal of the city of Cameron, State of Texas this 28 day of March in the year of our Lord, one thousand nine hundred and fifty.

ROY GRIFFITH,
Mayor of Cameron

## Brother of Milam Co. Women Dies of Burns

Hugo Albert Kuhn, 56-year-old Marlin farmer who was murned late Monday when a chicken brooder he was refueling exploded, died Tuesday night in a Marlin Hospital.

At the time Mr. Kuhn was burned Monday his wife was helping him refill the brooder with oil when fumes became ignited. A glass oil container exploded and set fire to Mr. Kuhn's clothing. Mrs. Kuhn sustained burns about the face and hands in attempting to extinguish the flames .Mr. Kuhn jumped in a water tank near the chicken house and doused the fire on his clothes, then drove to the home of a neighbor before being carried to a hospital.

Funeral services were held Thursday at 10 a. m. at the Adams Funeral Home with Rev. G. W. Obenhaus officiating. Burial was in Woodland Cemetery at Rosebud.

Surviving Mr. Kuhn, who came to Falls County 42 years ago, are his widow; one son, Larry Kuhn of Houston; one daughter, Mrs. C. J. Ahlhorn of East Bernard; two grandchildren; three brothers, Ben Kuhn of Houston, Walter Kuhn of Austin, Elo Kuhn of San Antonio; two sisters, Mrs. Walter Strickler of Ben Arnold, and Mrs. M. D. Swanzy of Burlington.

## VALTER T WHITE IS ASKING RE-ELECTION

Valter T. White, assessor and collector of Taxes for Milam County, has announced his candidacy for re-election to that office subject to the Democratic nominating primary on Saturday, July 22, 1950.

Mr. White a war veteran and former sheriff of this county, was elected assessor and collector of taxes upon his return from the United States Army and is now serving his second term in the office and his candidacy is for a third term.

Mr. White has established an enviable record of efficient service and is receiving encouragement and support from his many friends over the county and praise for the manner in which he has served during his previous terms.

In the army Mr. White served with distinction in the military Intelligence division. He is a native of Maysfield and was elected sheriff in 1940, serving one term and was re-elected and served only a short time before going into military service.

In making his announcement Mr. White said "I am grateful to the people in this county for the cooperation they have given me and for the honor of serving them in so important a place. I shall continue to give them my best as long as I am their assessor and collector".

Mr. White both by experience, education and training, is well qualified for this office and the people over the county will be glad to know he is to run again. He plans an active campaign and appreciate the continued support and influence of his friends over the county.

## RUSH EXPECTED AT COLLECTOR'S OFFICE

Tax Collector, Valter White said today that only approximately 4,000 license plates had been issued which represents about half of the number which will be issued.

Mr. White said that the department would have as many clerks as possible on the car licenses for the rest of this week, and urges you to please come in early and get the license plates for your car and not wait until the last day .

The Collector's office will remain open during the noon hour for the convenience of those who wish to come in at that time, and will also remain open until mid-night Friday, March 31.

The certificate of title for your car and last year's license receipt, and of course the necessary cash is all you need to obtain the plates.

## Emory B. Camp At Home From Hospital

Emory B. Camp who has been ill and a patient at Kings Daughters Hospital in Temple for the past several days has returned to his home in Cameron.

His many friends will be glad that he is greatly improved and hopes to be able to return to his duties at his office within the next few days.

## MARCH GRAND JURY RETURNS 2 INDICTMENTS

The Grand Jury for the March term of the District Court here included among its number a member of the colored race, Al Whiteside a resident of Cameron .

Indictments from several southern States have in the last year been held invalid by the Supreme Court of the United States on the grounds that there had been discrimination against the minority groups, the colored race ,in the selection of the grand juries.

The inclusion of members of minority groups on the grand juries will insure that indictments returned from this county will be free from defect. If an indictment is defective, for any reason then a conviction will not be allowed to stand.

Judge Morrison appointed Weldon Gilchist of San Gabriel foreman of the grand jury which returned two indictments; Charles Luther Goodson on charge of theft and H. C. Surghnor for swindling by check with insufficient funds.

## DEADLINE DATE NEARS ON COTTON INSURANCE

This is the last week, Milam County Farmer's have to sign their applications for Federal Cotton Crop Insurance. Friday, March 31, 1950 is the final acceptance date.

A Federal Crop Insurance policy protects the policy holder's investment in cotton production against loss from risks such as weather, insects and plant diseases. The premium that the farmer pays for this all-risk protection represents a small increase in operating costs in order to protect the money and labor invested in crop production against loss. It plugs the gap in the farmer's operation that opens wide when crop disaster strikes and wipes out not only the expected profit from the crop but investment as well.

Alva E. Sanders, Administrative Officer of the Milam County PMA, suggests that every cotton farmer that does not already have their cotton insured call at the office for full details .

## CAMERON TB UNIT FINISHES BIG JOB

The Milam County Tuberculosis Association is not asleep on the job of seeing that tuberculosis in the county is on the wane. Every year the association plans its work, part of which is a mass X-ray program carried on in Milam county .

These chest X-rays are free to every person over 15 years and above. This case finding program is sponsored by the State and local Health Department, with the approval of the Milam County Medical Society.

A total of 2834 people, who walked up to the machine in Cameron were X-rayed and walked away in a few seconds. Those people having negative reports will be notified by the local association of the State Health Department, while those with positive findings will be notified by their physician making it strictly confidential.

## SCHOOL BOARD MEMBERS WILL SEEK RE-ELECTION

In an interview with Dr. Clifford G. Swift and W. C. Wallace today they have issued the following statement:

"Our terms on the Board of Trustees of the Cameron Independent School District having expired, we are offering our names for re-election.

We believe that the record of the administration of your public schools will reflect our constant interest and efforts to maintain its present high standard.

If you believe that your school system has been efficiently and intelligently administered, we ask that you keep us on the Board of Trustees."

On this basis we solicit your vote."

W. C. WALLACE
DR. CLIFFORD G. SWIFT

H. Mustermann, local radio repairman and farmer, has cleaned up the new practice field, with the help of Gause school boys.

## Worst Drought In Decade Imperils Panhandle Wheat

AMARILLO, Texas, March 25—The flat, arid panhandle of Texas is suffering its worst drought in at least a decade, and the 1950 wheat crop is imperiled.

Many farmers are writing off their crops as 50 percent or more loses—no matter what happens. A few have plowed wheat under already, and if rain doesn't come in good quantities within two to three weeks, the acreage abandoned will be staggering.

Damage thus far is heavy. Twin killers, closely related, are the culprits—drought and greenbug infestations.

It is five months now since a general soaker came to the panhandle. Above all else rain is needed quickly and heavily.

Dick Miller, at Hereford, says the wheat outlook for the Panhandle is at least the worst since 1943, the last year of failure. Bill Miller, editor of the Spearman Reporter in the "Wheat basket of the nation," goes further. "It's the worst since dust bowl days of the mid-30's," says Miller.

J. E. McDonald, state commissioner of agriculture, agreed that the outlook is at least the worst in a decade.

## 2 HANOVER MEN HELD ON BURGLARY CHARGES

Andy Reed, 24, and Eugene Foster, 20, both of Hanover were charged with burglary Monday morning and are in jail here.

Reed and Foster entered the Oscar Mabes Filling Station and Grocery in Gause Saturday night where they took several packs of cigarettes. They entered the building through a broken window light.

## MRS. BERTIE ALFORD APPROVED HD AGENT

Mrs. Margaret Bracher, district agent for extension service at A&M College has notified County Judge Dan Tyson to the effect that Mrs. Bertie Alford of Thorndale has been approved Home Demonstration Agent for Milam County.

The Commissioners Court will have to take official action on the matter which is expected to be favorable.

## Highway 77 Committee To Plan Improvements

L. G. Smith, secretary of the Highway 77 organization, will attend a meeting at La Grange Thursday to complete the organization and plan the improvement and advancement of Highway 77 as an international highway from Canada to Mexico.

Milton Schiller, member of the highway committee of the Cameron Chamber of Commerce, has been elected director from Milam county.

## Gause Civic Leaders Go Forward in Progress

Special railroad rates to and from Cameron on the week-end of the Milk Bowl game, next fall, may be granted by the Santa Fe Railway Company, according to word received this week, from L. J. Cassell, special representative of the company at Galveston. The party rates would enable persons from all over Texas to travel to the game for a small fee far below usual rates.

The first goal posts at Gause for many years were erected, this week by Gene (Dixie) Walker, a civic leader of Gause, who has repeatedly given of his own resources, and who has directed subscription drives to cover the needs of the local Pee Wee team. Mr. Walker is also on the Board of Directors of The Milk Bowl Inc.

Construction work on the new goal posts has been done on a volunteer basis by "Red" Ditto, who has also provided the newly organized Pee Wee softball team with a practice field.

The Pee Wee softball team will have within several days, fifteen complete uniforms ,supplied by the Phillips 66 Company, at the request of Gene Walker, who will manage the team during the summer, and will carry the players to all scheduled contests in central Texas.

Mrs. H. W. Massengale is a medical patient in St. Edward Hospital.

# COASTAL BERMUDA GRASS IS AVAILABLE

(By J. D. Moore, Co. Agent)

The Argonomy Department of A&M College has for distribution to any one interested, a sack of Coastal Bermudagrass that will set between one-fourth and one half acre. Each farmer is limited to one sack and it will cost $1.00 plus express charges. A record will be kept and you will be informed as to who has the grass in your County.

Suggestions are made as to how to care for the plants so that pure grass may be distributed and sold next year. There is a certification program in the process of development at the present time. The information about the fact that the grass is available is to be released very soon over the radio and in the newspapers. We are not making any recommendations but merely letting the people know that it is available if they are interested in it. It should be considered a hay plant and not necessarily one for grazing only.

Coastal Bermuda will require more fertility and moisture than Common Bermuda. I would recommend that it not be used in areas of less than 30 inches of rainfall, unless the area can be irrigated. Coastal Bermuda will allow a legume (lespedeza, white, bur or others) to grow with it better than Common.

NOTICE OF ELECTION

THE STATE OF TEXAS
COUNTY OF MILAM
CITY OF CAMERON

TO THE RESIDENT, QUALIFIED ELECTORS OF THE CITY OF CAMERON, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID CITY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in the City of Cameron, Texas, on the 18th day of April, 1950, on the proposition and at the place more particularly set forth in the resolution adopted by the City Council on the 21 day of March, 1950, calling said election, which is as follows:

"RESOLUTION"

BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS, CALLING AN ELECTION ON THE QUESTION OF THE ISSUANCE OF $425,000.00 WATERWORKS REVENUE BONDS.

WHEREAS, the City Council of the City of Cameron, Texas, deems it advisable to issue the bonds of said City for the purpose herein after mentioned;

BE IT RESOLVED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

1. That an election be held in the City of Cameron, Texas, on the 18th day of April, 1950, at which election the following propositions shall be submitted:

"Shall the City Council of the City of Cameron, Texas, be authorized to issue the bonds of said City in the amount of $425,000.00, maturing serially in such installments as may be fixed by the City Council, the maximum maturity being not more than Thirty (30) years from their date, bearing interest at a rate not to exceed Three (3%) per cent per annum, for the purpose of purchasing and improving the privately owned and operated water system now serving the City of Cameron, Texas, to be issued in accordance with and secured in the manner provided in Articles 1111-1118, both inclusive, of the Revised Civil Statutes of Texas, 1925, as amended, each bond to be conditioned that the holder thereof shall never have the right to demand payment of said obligations out of funds raised or to be raised by taxation, secured by a pledge of the net revenues from the operation of said Waterworks System".

2. That said election shall be held at the City Hall in said City, and the following named persons are hereby appointed officers of said election, to-wit:

Lee O'Neill, Presiding Judge.
B. J. Matocha, Judge.
J. L. Marak, Clerk.
Dan Gunn, Clerk.

3. That said election shall be held under the provisions of Chapter 1, Title 22 of the Revised Civil Statutes of Texas, 1925, as amended, and in accordance with the provisions of Chapter 163, Acts of the Regular Session of the Forty Second Legislature, as further modified by the provisions of Articles 1111-1118, both inclusive, Revised Civil Statutes of 1925, as amended. Only legally qualified electors who own taxable property in the City and who have duly rendered the same for taxation shall be qualified to vote.

4. The ballots for said election shall have written or printed thereon the following:

'FOR THE ISSUANCE OF WATERWORKS REVENUE BONDS'.

'AGAINST THE ISSUANCE OF WATERWORKS REVENUE BONDS

Each voter shall mark out with black ink or black pencil one of the expressions on each proposition, thus leaving the other as indicating his vote on such proposition.

5. A substantial copy of this resolution signed by the Mayor of said City and attested by the City Secretary shall serve as proper notice of said election. Notice shall be given in accordance with Article 704, Revised Civil Statutes of 1925, as amended. The Mayor is authorized and directed to have a copy of said notice posted at the City Hall in said City, and at two other public places within said City, not less than fifteen days prior to the date fixed for holding said election. He shall also cause said notice to be published on the same day in each of two successive weeks in a newspape rof general circulation published within said City, the date of the first publication to be not less than fourteen days prior to the date set for said election. Except as otherwise provided in said Article 704, as amended, the manner of holding said election shall be governed by the laws governing general elections.

ADOPTED AND APPROVED this the 21 day of March, 1950.

ROY GRIFFITH,
Mayor, City of Cameron, Texas.

ATTEST:
W. H. STAFFORD,
City Secretary, City of Cameron, Texas.

## Million Texans Are Being Asked to Buy Easter Seals

More than one million Texans are being asked to buy Easter Seals during the rest of March and through April 9. The colorful Easter Seals have been mailed state-wide with a reminder that the sale of the seals represent the only support of the Texas Societies for Crippled Children.

Dr. J. G. Flowers, San Marcos, president of the Texas Society for Crippled Children, points out that no other agencies in the state duplicate the work of the Texas Society or its county affiliates. And that there is not one phase of the humanitarian work that can be neglected.

There are now 125 counties with local societies carrying out specific projects for handicapped children Eight of these have been added during the past year. In other counties, aid is furnished through the Texas Society for Crippled Children.

The aid to handicapped children takes the form of gifts of therapeutic appliance and provision of medical, scientific and educational facilities. The cerebral palsy treatments centers, with which Texas leads the nation in help to young victims, all are under the sponsorship of county socities for crippled children.

Friends of Mrs. Lucy Clifton will regret to learn that she is ill at her home with the flu.

# NEW BOY SCOUT TROOP ORGANIZED TUESDAY

An organization meeting was held Tuesday night to organize a new Boy Scout Troop. The meeting was held at the old school building and all meetings hereafter will be held there on each Tuesday night at 7:30.

The troop is enlisting boys over the age of eleven years and any boy eligible is invited to attend the meetings and become a member of the troop.

At the meeting Tuesday night temporary officers were elected. Patrol leaders are Tom Collins and Dan Howard and Jimmy Markham is the Scribe. Dr. George Bowman, Dr. Gus Evans, Jr. and Rev. Jim McKeown are in charge of the troop.

### DRUNK DRIVING CHARGE

Daniel Rosenthal, was fined $50.00 and cost of court in open court Monday of this week and his license suspended for a period of six months. He was charged with operating a motor vehicle while intoxicated.

Henderson Thompson visited his sister, Mr. and Mrs. John Blaseinz in Bryan Sunday.

## Canasta Party Held At The Wooley Home

Mr. and Mrs. Arthur Longmire, assisted by Mrs. V. P. Wooley entertained with a Canasta party at the Longmire home on N. Washington Friday evening, March 17.

The following were guests for the occasion: Mrs. W. H. Stafford, Mrs. W. T. Whatley, Mrs. Janie Rawls, Mrs. Pope Sapp, Mrs. Ruby Lindquist of Dallas, Mrs. Dow Eplen, Miss Correne Massey, A. D. Lagrone, Mrs. Reese Poole, Mr. and Mrs. Alvin Witcher, Mrs. W. G. Harsha and Bobby Witcher.

The hostess served a dainty sandwich plate with hot punch.

An enjoyable evening was spent in playing Canasta and 42.

Mrs. Ruby Lindquist of Dallas is a neice of the late V. P. Wolley and is spending her vacation visiting Mrs. V. P. Wolley and other relatives here.

Guests in the home of Mr. and Mrs. Dick Ramsey here recently were Mrs. Ramsey's brother and family, Mr. and Mrs. Alton Shelley and children of Pasedena.

## Mrs. Wilson Hostess At Canasta Party

Mrs. Nathan Wilson was hostess to a Canasta party at their home Sunday evening, March 19.

The following were present for the occasion, Mr. and Mrs. Joe Zawadzke, Mr. and Mrs. Billy Balhorn, Grady Allen and Danna Reichert, Mr. and Mrs. Stanley Hughes, and Mr. and Mrs. Joe Lee Posvar.

Mrs. Wilson had her home attractively decorated in Easter colors.

She served a dainty chicken plate with punch.

Stanley Hughes and Joe Lee Posvar were winners of high score.

## Cameron DAR Chapter Has School Program

The Sarah McCalla chapter of the Daughters of the American Revolution met recently in the home of Mrs. R. H. McIntosh.

Mrs. B .J. Baskin, regent, presided. The treasurer, Mrs. W. G. Gillis, read the annual report.

The program was on approved schools.

## B. & P. Women's Club Hold Regular Session

The Business and Professional Women's Club met in regular session at their Club rooms Tuesday evening, March 21 with the president, Mrs. Loretta Brock presiding.

During a business program Mrs. Brock was elected as a delegate to the State Convention to be held in Austin May 19 to the 21. Miss Myrtle Hinton was named as alternate and other members are planning to attend.

The Club is planning a guest meeting to be held at the Club rooms April 4. A covered dish supper will be served.

The Club rooms were beautifully decorated with bowls and containers holding spring flowers.

During the evening Mesdames Lottie Bigbee and Eula Sutherland were joint hostesses in the dining room and served a dainty plate with hot coffee.

## Mrs. Harry Davis Entertains Minnie Henderson Class

The Minnie B. Henderson Sunday school class of the First Baptist Church met in the home of Mrs. Harry Davis the past Thursday, March 16.

The meeting was opened with a prayer by Mrs. Charlie Hester.

Mrs. August Halberdier gave an interesting devotional of Stewardship.

Following a short business session several spirited games were enjoyed.

A dainty sandwich plate with punch was served to 10 members and one visitor, Mrs. Grady Fellers.

A St. Patrick theme was carried out in the decorations.

## Miss Lynn Skelton Chosen Student On Publicity Committee

In preparation for the twelfth annual Redbud Festival at Texas State College for Women March 24-25, Miss Lynn Ryan Skelton, 506 W. 13th, has been chosen student chairman of the publicity committee .

Each spring the blossoming of 3000 pink and fuchsia redbud trees on the college campus is marked with a festival honoring 100 of TSCW'S most charming girls. From the 100 princesses a Redbud Queen is to be selected and crowned March 25.

The Coronation Program will be presented both nights of the festival by the TSCW Symphony, college choirs and the Modern Dance Group in the college main auditorium.

During the week preceding the festival, March 19 to 25, the college will observe Self-Development Week with each department presenting special programs, guest speakers and exhibits.

## St. Rita Circle Discuss Convention

The St. Rita Circle met at the Simon-George Memorial Hall the past Wednesday with Mrs. Albert Mitchan and Mrs. Albert Matula as hostesses.

During a brief business session plans discussed concerning the NCCW convention in October, 1950.

The hostesses served coconut cake with coffee.

The next meeting will be the first Wednesday in April.

## Cameron Garden Club Holds Regular Meeting

The Cameron Garden Club met Thursday morning at the Country Club. Hostesses were mesdames, H. P. Culpepper and Herbert Colburn.

A kodachrome film of Texas Wild Flowers was enjoyed by the Club members and the Civic Garden Club.

Mrs. W. E. Gaither introduced the speaker, John C. Blasingame Landscape Advisor for the Texas Highway Department.

J. R. Poole, A. D. Lagrone and Marvin Pratt, employes of the Cameron Herald visited J. B. White, editor of this paper in the Marlin Hospital Thursday evening .

## Mrs. Rummel Honored With Birthday Dinner

Mrs. John Rummel celebrated her 65th birthday Sunday, March 12 with a big dinner at their home in Ben Arnold.

The following were guests for the occasion: Mr. and Mrs. Henry Stoerner and Mr. and Mrs. Harry Rummel all of Dallas, Mrs. E. D. Mayer of Burton, Mr. and Mrs. Albert Rummel and son Leon, Mr. and Mrs. Arnold Rummel and girls, Norma Jean and Merlene all of Ben Arnold, Mr. and Mrs. Willie Stall Harvey Lee and Walley Jean of Ben Arnold, Mr. and Mrs. Edwin Kohutek and Clarence Rummel, Mr. and Mrs. Ed Junek and Eugene and Irene all of Cameron.

A delicious chicken dinner with all the trimings was served.

## Bobbie Jean McCown Honored With Party

Miss Bobbie Jean McCown celebrated her 14th birthday with a party in the Club rooms of the Milam Coffee Shop Friday night, March 17.

The chaperons were mesdames J. S. Hubert, Jack Cammer, John Matyastik and Mr. and Mrs. Henry Lippman.

An Easter motiff was carried out in various ways. A large Easter arrangement was the centerpiece for the large table. Thirty-eight guests were present.

Mrs. McCown served a dainty refreshment course of cake and punch.

Bobby Jean is the daughter of Mr. and Mrs. R. L. McCown, and received many beautiful useful gifts and thanked everyone in her sweet manner.

## Albert Rettig To Take Lubbock Bride

The many friends in and around Cameron will be pleased to hear of the engagement and approaching marriage of Miss Rita Maner of Lubbock to Albert Rettig of Cameron.

The wedding will take place on Easter Sunday, April 9, at the First Presbyterian Church in Clovis, New Mexico.

## Nationalists Hit Shanghai Again

TAIPEI, Formosa, March 22—Chinese nationalists warplanes hit Shanghai again yesterday and crews were ready to battle any red planes which might challenge them. No hostile planes were seen.

Air force headquarters said extra precautions were taken because three strange planes appeared and then fled during an air raid on Shanghai Monday.

A larger fighter escort than usual went along with the bombers.

Communists never have challenged the nationalists in the air, but the nationalists believe the Russians are providing the communists now with planes.

The bombers again concentrated on Lungwa, the old international airport of Shanghai. The runway was reported unusable from the repeated raids.

Friends of Mrs. W .C. Moody will regret to learn she is ill and a patient in Newton Memorial Hospital.

## Former Milam County Woman Buried Temple

Mrs. E. T. (Daisy) Colbert, 66, died in a Temple hospital Sunday afternoon at 2:45 o'clock .

She was born in Milam county Jan. 3, 1884 and had lived in Bell county most of her life. For the past 25 years she had made her home in Temple. She was formerly Miss Nancy Cornelia Bryant and was married to Eugene T. Colbert May 28, 1911. He died July 5, 1943. She was a member of the Christian church.

Mrs. Colbert is survived by five brothers, H. H. Bryant of Beaumont, H. D. and R. G. Bryant of Lorenza, E. P. Bryant of Lamesa; three sisters, Mrs. J. H. Starling of Temple, and Mrs. C. H. Slone and Mrs. Charley Lively, both of Cameron. She was preceded in death by one son, Burma Colbert.

Funeral services were held at the Hewett Funeral Home Tuesday afternoon at 2 o'clock. Rev. Max R. Crumley officiated and burial in Hillcrest cemetery.

For the families who like their pie with cheese, this recipe puts the cheese right into the filling to cook with apples in a pastry shell. To make *Chateau Apple Pie*, scald 1 *cup evaporated milk* in a double boiler. Add ½ *lb. shredded processed cheese* and ⅛ *tsp. salt*. Keep over heat until cheese is melted, stirring frequently. Gradually stir the mixture into 2 *eggs*, slightly beaten. Combine about ⅓ *cup sugar*, ½ *tsp. cinnamon*, ¼ *tsp. nutmeg*. Sprinkle over 2 *cups apples*, thinly sliced. Put apples into *unbaked 9" pastry shell*. Bake in hot gas oven (425°F.) 15 mins. Then turn down gas to reduce oven heat to 325°F. Pour custard mixture over apples in pie shell. Continue baking until a sharp knife inserted near the center of pie comes out clean—about 35 mins. Cool and serve.

• • •

All automatic gas ranges built to "CP" standards are equipped with lifetime guarantees for top, oven and broiler burners.

• • •

As soon as cooking pressure is reached turn down the flame under your pressure cooker. Then begin to count time for cooking period.

• • •

When cooking fudge, don't beat it as soon as it's taken off the burner. Rather, pour fudge into chilled bowl, then beat with egg beater to get it creamy.

• • •

Don't be too startled at the amount of lint you get in the lint trap of your gas dryer. It's no more than when clothes are hung outside. Only difference is that outside the wind blows the lint away and you can't actually see it.

• • •

Sharpen the flavor of baked apples with a pepperment stick slipped into the core just before you slide them into the oven.

# MORE ROOM THAN ANY OTHER CAR— another extra value in "The New Step-Down Ride"

**LEADERS IN RESALE VALUE . . .** "step-down" designed Hudsons lead in resale value, coast to coast, according to Official Used Car Guide Books.

ROOM! GLORIOUS ROOM! *More* room and comfort than in any other car at any price!

That's just one of the wonderful advantages awaiting you in the new Hudsons for 1950!

**Your first look** inside these beautiful new cars reveals seat cushions in all models, including the lower-priced Pacemaker, that are *up to 12 inches wider* than in cars of greater outside dimensions—and more head room than in any mass-produced automobile built today!

Door and window controls are nested in recessed panels to give you even greater elbow room!

Hudson's all-around roominess is the result of exclusive "step-down" design with recessed floor. Through this unique design, space wasted under the floor and between frame members in all other cars is brought into Hudson's passenger compartment and skillfully utilized for your comfort.

Your own experience tells you that Hudson's fabulous roominess means greater driving and riding comfort than you've ever known before—comfort in which to loll away the miles—comfort that permits you to drive safely and easily at all times!

**You are cordially** invited to see these great new cars—to enjoy "The New Step-Down Ride" and discover how Hudson's amazing roominess is combined with gorgeous new interiors—Hudson's new, no-shift Super-matic Drive† —and scores of other fine-car features that add up to *extra value* right down the line. Won't you come in soon?

†Optional at extra cost.

**Available with Hudson's exclusive Super-matic Drive!**

If you're going to buy a car in the low-price field, see the

**New, Lower-Priced Pacemaker**

that, for just a few dollars more, brings you all of Hudson's exclusive advantages.

# FUNERAL SERVICES HELD FOR GEORGE H PEETS

George H. Peets, 76, died at an Austin Hospital at 5:20 a. m. Wednesday.

Mr. Peet was born April 3, 1873, in Woodville, Miss., and had been ill only a short time before his death Wednesday.

Survivors are one brother, Granville H. Peets of Columbus, Miss., two sisters, Mrs. Josie O'Fallon of Lessley, Miss., and Mrs. Katy Smith of Woodville, Miss.; three sister-in-laws, Mrs. L. K. Smoot and Miss Amelia Williams both of Austin and Mrs. Virginia K. Freeman of Austin; several nieces and nephews.

Funeral services were to be held from the chapel of Marek-Burns Funeral Home Thursday, March 23 at 4 p. m. with Rev. W. R. Hall, pastor of the First Presbyterian Church officiating. Burial in Little River Cemetery.

Pallbearers are: Le Roy Massengale, Chas. Bailey, Roy Newton, Jesse Wise, Ladis Marek, Dr. Walter Howard, R. C. Gallier and Vaughn Thweatt.

Miss Margaret Horstmann of Cameron was voted into the shakespeare Literary Society at Southwest Texas College recently.

## Use Easter Seals And Help The Crippled

Two years ago Mary Smith sat in her wheel chair at the front window of her home and watched her little brother out playing with the other children of the neighborhood. Mary wasn't even considered as a possible playmate for Mary couldn't walk.

But that was two years, before Mary came to the attention of the Society for Crippled Children.

And today, as a result things are different.

Mary still isn't playing a hide and go seek but she will one of these days, the doctors and therapists hope and meantime, she is right out there on the front lawn, taking part in less strenuous games of the neighborhood children.

She is learning many new skills with her hands and catching up on school work that had been abandoned when Mary was hurt.

Altogether life is becoming liveable for Mary, what with medical services, therapeutic treatments, educational help and new crutches that are given her by the Society.

All of these services are financed by funds raised during the annual Easter Seal Drive sponsored by the Society, this year from March 9 to April 9. They are services given to all crippled children in our community who may need them. They are made possible by the contributions of those who use Easter Seals.

## Cameron Men Attend Texaco Meet in Temple

A regular annual meeting of the dealer of the Texaco Company, Temple area was held in the American Legion Hall in Temple Monday evening.

The program consisted of a couple of films on Texaco products, production of Havoline custom made motor oil and better service at Texas Company Service Stations.

Following the program a delicious barbecue dinner with all the trimmings was served to approximately 100 present.

The following from Cameron were present: E. A. Perrin, W. L. Robinson, W. O. Boecker, Jack Moore, Ervin Hollis, Edwin Kohutek, E. E. Coker, W .E. Kosel, Gene Brown, Slim Weiderman and Leroy Pfarrthrescher.

# JOHN LANICEK RITES SET FOR WEDNESDAY

John Lanicek, 63, died at his home in Clarkson, Tuesday, March 28, 1950 after a short illness.

Mr. Lanicek was born in Czechoslovakia, December 20, 1886 and came to this county when a child. He had resided in Clarkson for the past 22 years where he was engaged in farming. He was a member of the SPJST Lodge.

Among his survivors are his widow; two sons, Jerry Lanicek of Dallas and Emil Lanicek of Clarkson, and one daughter, Mrs. Edwin Reynolds of Cameron. He is also survived by one grandchild and three half sisters; Mrs. Emil Machu of Manor, Texas, Mrs. John Peskeal of Austin and Mrs. Agnes Lambers of San Antonio.

Funeral services will be conducted by Rev. H .E. Beseda of Caldwell, at the Chapel of Marek-Burns Funeral Home, Wednesday, March 29, at 3:00 p. m. Burial will be made in Oak Hill cemetery.

The remains will be at the Marek-Burns Funeral Home until the funeral hour on Wednesday .

## Venire Called In Wenck Case

A venire of 100 men is being summoned to appear in district court on Monday, April 3, for a selection of a jury to serve at the trial of Mrs. Lucile Wenck who is charged with the murder of N. L. Miller, Hearne Chief of Police, last Oct. 6. The trial was first set for Jan. 31 but defense requested for continuance stating that all witnesses could not be present. District Judge W. S. Barron granted the request.

Mrs. Wenck has been held in the county jail in Franklin without bail since her arrest at the time of the slaying.

MILANO METHODIST

The Methodist Women's Society at Milano will sponsor a party Thursday, March 30.

The party will be at the high school lunch room and everyone is cordially invited to attend.

Michiel Lange of Gause is ill and in the Newton Memorial Hospital for treatment

Friends of Jess Kirk, Jr., will regret to learn he is among the patients ill and in the Newton Memorial Hospital for treatment .

## Cameron's Mayor Designates April As Cancer Control Month

Mayor Roy Griffith of Cameron today called upon all residents to observe April as Cancer Control Month.

"American Cancer Society volunteers of Milam County are now undertaking their annual educational and fund-raising drive to fight cancer," Mayor Griffith said. "Cancer control must be a vital concern of each and everyone of us. I urge all residents of Cameron to learn the essential facts about this disease."

In his proclamation, the mayor pointed out that cancer represents a community health problem in Cameron as well as throughout the nation.

"Measures must be taken to cut down the present cancer death rate, easing the tragedy for individuals and lightening the community burden of the great social and economic losses resulting from cancer."

The 1950 Cancer Crusade, which opens here April 1st, has a goal of $2000.00, which has been described as a "minimum need" to carry on the research, educational, and service program of the American Cancer Society.

Mrs. Olga Pitrie her son and wife and children and also her daughter and children all of San Antonio motored to Cameron Sunday for a visit in the home of their aunt and great aunt, Mrs. R. H. McFarland.

## Guests From New York Enjoy Texas Visit

Mr. and Mrs. Felix Matula, Jr. were charming hosts this week when they entertained their New York City guests.

Mr. and Mrs. Joe Posvic and Mr. and Mrs. Ruby Pesek spent several days in the Matula home.

The party was en route to their homes in New York City from Mexico where they had spent several days before visiting in Texas. Mr. Posvic is a cousin of Mrs. Matula. They were delighted with Texas and the way her people talk, but they say Texas is so big.

Moye Burnett of Beaumont visited his parents at Ben Arnold and other relatives here over the week end.

## H. P OVERTON BURIAL RITES SET FOR TUESDAY

Funeral services will be conducted Tuesday, March 28 at 2:30, at Salem for H. P. Overton, 81, who died Sunday, March 26. 1950, at Wichita Falls Burial will be made in the Salem cemetery with Marek-Burns Funeral Home making the arrangements.

Mr. Overton was a native Texan and resided in the Salem Community for a number of years before moving to Wichita Falls with his family. He had been employed with the Panhandle Refining Company for several years.

Among his survivors are his widow, Mrs. Elizabeth Overton; one son, J. C. Overton and two daughters; Mrs. Pearl Davis all of Wichita Falls and Mrs. Myrtle Taegel of Cameron.

He is also survived by eleven grandchildren and seventeen great grandchildren.

## Communities In Milam County Exceed Red Cross Quotas

Gene Blake, county fund chairman of the 1950 Red Cross drive has announced that about $1,500 of the $5,250 Red Cross quota has been turned in .

The Briary district had reported reaching their goal of $15.00 with $10.00 over the quota, Jones Prairie turned in $25, $10 over quota, Thorndale turned in $410, well over their quota which was $350 and Sharp and Tracy turned in $113.05. The quota was $100.

## 1951 Kaiser-Frazer Shown This Week At Maysfield Merc. Co.

The third of the three new lines of 1951 automobiles which will be marketed in all price ranges by Kaiser-Frazier Corp. was announced today by Mr. Freeman. The new car is on display in the showroom at the Maysfield Mercantile Company, located north of the city on Highway 77.

The new series is the "handcrafted" Frazer luxury line, which embraces five custom body styles in the medium and upper medium price classes. They supplement the popular priced 1951 Kaisers and the as yet un-named low priced model .

With a long 123½-inch wheelbase, the 1951 Frazer models feature new aerodynamic styling with a European note evident in the elevation of the rear fenders, which "hop up" above the waistline of the car.

Marked throughout by custom car styling features, the eye-appeal of the new Frazier lines is keynoted by a heavily chromed wind tunnel grille with two airfoil center vanes which house the parking lights in their wing-tips.

Fluted "speed lines" strengthen the swept-back front fenders and are repeated in the rear fenders, which are crowned with oversize tail lamps with columnating lens and built-in reflectors. Placement of the massive lamps at the peak of the fenders define the car from the side as well as from the rear in night driving.

The five body styles include a four-door sedan and Vagabond "utility" model in the Frazer Standard line, with a four-door sedan, convertible and "hardtop" in the Manhattan series. The "hardtop" sports model resembles a convertible in detail, even to a colorful sheath of weather-proof nylon which covers the rigid steel roof.

The Frazer is offered in all models with the powerful new K-F high-compression "Supersonic" engine. Hydra-Matic transmission and overdrive are available as optional equipment.

Luxury comfort and convenience features identify the Frazer line throughout. They include restful multi-coil seat springs with airfoam rubber padding, and color-styled upholstery in finest wool Bedford cloths, broadcloths and saddle leathers.

Center arm rests are standard both front and rear in the Manhattan series, and automatic window lifts are available as optional equipment.

The custom styling treatment is evident in the new jewel-like Frazer crest, which is mounted in the grille just below a long "Charging Knight" hood ornament.

The wrap-around bumpers are studded with bumper guards which have large, detachable "torpedo caps." The caps, which project beyond the outer extremities of the bumpers, afford extra protection and are replacable if they become scuffed.

In addition to the new Kaiser "Supersonic" engine, mechanical advances include improved front and rear suspensions, which produce a softer, sway-free ride over rough terain; covered, permanently lubricated rear springs; reinforced box-type frame, and dust and sound-sealing insulation.

Six-passenger seating width of 62 inches, and generous trunk capacity of 27½ cubic feet are outstanding among body dimensions. In the Vagabond utility model, designed to serve for bulky hauling as well as for deluxe passenger transportation, there is more than 130 cubic feet of cargo space.

---

Beth Garwick, a member of the nurses staff at Newton Memorial Hospital is ill and in the hospital for treatment .

## X-RAYS REACH PEAK IN CITY OF CAMERON

Some 1914 tuberculosis X-rays have been made to date in the annual TB survey which began here last Friday.

The unit will make examinations here through March 25 with the various clubs providing workers to assist with receiving and registering. The X-rays are being made in the showroom of Hefley-Stedman Motor company.

The survey will be held in Rockdale at the city hall March 28 and 29, and in Thorndale at the school March 31 and April 1.

Members of the Pleasure and Profit Club who assisted at the TB X-ray Survey Thursday were: Mesdames Chas. Brady, R. J. Woodum Grady Cooper, Ted Kuehl, Louis Gohmert, Albert Horstmann, Ervin Wied and Mrs. Munick. Volunteers were Mrs. Earl Curtis, Mrs. Albert Collins and Mrs. Alvin Mondrik.

The following ladies who are members of the Cameron Delphian Club will assist at the unit today: Mesdames A. W. McCullin, Roy Griffith, R. L. Batte, Ed Gunn, James McKeown, W. R. Newton, Sr., Bonnie Donovan and R. L. Lemons.

## Future Farmers Attend State Meet Recently

The officers and the adviser of the Cameron Chapter of Future Farmers went to Huntsville for the State Leadership Contest that was held Saturday, March 18.

After winning the preliminaries in this section Cameron entered the finals. The results of the finals were: first, Plainview; second, Centerville; third, Lamesa; fourth, Granger; fifth Cameron; sixth, Nacogdoches.

The banner that Cameron won is on the bulletin board on the first floor of Yoe High School.

# DIXIE REGAINS CONTROL IN ACREAGE FIGHT

WASHINGTON, March 24—A farm price bill, winner in a curious best-two-out-of-three voting test in the Senate, finally was sent to the White House.

The clinching tally was 38 to 31. Southern backers of the measure scrabbled hard for that seven-vote margin, after an apparent victory yesterday was upset by an unexpected reversal on a succeeding rollcall.

The bill, approved by the house earlier ,tightens the rules for potato price supports and increases the permissable cotton and peanut acreages under the Government's crop price propping program.

(Just what basis the cotton acreage increase would be figured on, and just how much it will affect Central Texas farmers, could not be determined last night).

The bills allows the planting of about 1,200,000 additional acres of cotton eligible for price support, and 100,000 extra acres of peanuts.

If signed by the President, the new legislation will not provide acreage increases for all cotton and peanut farmers since it was designed to aid those deemed to have suffered inequitable cuts under allotments already made.

Here is how the new bill works:

Cotton—

1. Despite other provisions of the acreage allotment act, no individual farm quota allotment for 1950 shall be less than the larger of (A) 65 per cent of the average acreage planted to cotton and war corps in 1946, 1947 and 1948, or (B) 45 per cent of the highest acreage planted in any one of the three years.

(Allowance is made for the so-called war crops to protect those farmers who, at the request of the Government, took some of their regular cotton acreage to plant other crops which the Government aspecially wanted).

2. No cotton allotment so increased thereby shall exceed 40 per cent of the total crop land in the farm.

3. Farmers may voluntarily surrender all or part of their allotments which they will not plant to cotton

## Royal Family Aids 'Thank U. S.' Fund

LONDON, March 22—The royal family opened its purse Wednesday to start a nationwide campaign of thanks to the United States and the Commonwealth for the 70,000,000 food parcels they gave Britain.

King George and Queen Elizabeth sent a donation of $2,800 to a thanksgiving fund aimed at raising $5,600,000 to build a residential center for students from the Commonwealth and America.

Miss Julia Wokaty and Mrs. J. F. Knapek of Waco were business visitors here one day this week. They also visited relatives here.

## Texan Honored

TOP RETAILER—James H. Calvert, president of Joske's of Texas, San Antonio department store, has been named America's "Retailer of the Year," by the Brand Names Foundation in recognition of outstanding coordinated promotion of manufacturers' brand names.

# WE'RE NOT IN BAD SHAPE SAYS SEN. W. TYNAN

AUSTIN—A State Senator challenged Thursday the forecasts that heavy, new taxes must be levied by the Legislature next year.

"It isn't true," claimed Sen. Walter Tynan of San Antonio, addressing the Texas Legislative Council. "We're not in bad shape. The state has no bonded indebtedness. What if we open up our oil wells?"

Because of declining oil tax income Comptroller Robert S. Calvert predicts a $26,000,000 deficit in the general revenue fund by next year. Some legislators estimate the state will need $200,000,000 more income by 1953 if spending keeps up at the present rate. The Constitution directs the Legislature to keep on a cash basis, except in emergencies.

Tynan told fellow-legislators it might be possible to get by without any new tax next year.

His remarks came during the discussion of the council's program. The group of seventeen Senators and Representatives put taxation on its list of things to study before next January. Tynan did not object to the study, although Sen. Ottis E. Lock of Lufkin did.

"We're assigning the executive director so much, I'm afraid he can't do a good job at anything," Lock declared. "It could do more harm than good. Taxation, in particular, is like chasing a flying disk."

By January, when a new Legislature meets, the council expects to study:

1. Higher education organization.
2. Effect of declining oil production on state revenue.
3. Long distance phone rates within Texas.
4. Education of mentally retarded children.
5. Taxation in general.

It postponed proposed study of Texas' highway program ,its public library spstem ,and its health laws.

## Firm Given Go-Ahead On Dam Outlet

BELTON, March 23—Winston Brothers firm, recently awarded the contract for construction of the concrete outlet works on the Belton dam project ,has been notified by U. S. army engineers to proceed on the work.

The work order will activate the project within the next few days. Work will start within 10 days from the time the company signs and returns the order.

The $1,890,571 contract calls for construction of a steel reinforced control tower and a concrete conduit for the discharge of flood waters and for release of water for conservation purposes.

The construction company will have 540 days in which to reach a specified elevation on outlet works to allow for construction of another portion of the embankment. A total of 720 days is specified for completion of the outlet works job, according to the contract.

R .K. Harris, manager and coordinator for Winston Brothers, has been here relative to start of the work, and office equipment is expected here at an early date.

C. J. Kocian, who will be resident engineer for the project, is expected to assume his duties on location this week.

Mrs. R. C. Lyon of Belton employed by Winston Brothers to head office personnel. For the last few days has been at the Whitney dam project where Winston Brothers has a construction contract.

Frank Meek, Jr. with the U. S. Army and stationed at Camp Hood visited relatives and friends here during a three day pass.

Mrs. Roland Gandy and Mrs. Susie Matthews made a business trip to Temple Thursday of the past week.

## World Cotton Tops Demand

WASHINGTON, March 23 — The International Cotton Advisory Committee reported today that world production of cotton—reduced during the war—is increasing more rapidly than is consumption.

World stocks were said to be nearly 14 per cent larger than a year ago.

The committee is an intergovernmental agency of cotton exporting and importing nations interested in stable supplies and prices.

The committee's latest survey indicated world production in the 1949-50 season at more than 31,000,000 bales. This is the third largest world crop on record, being surpassed only by the 1936 and 1937 crops. It compares with 29,000,000 last season.

Production in the United States this season accounts for 51 per cent of the world total, as compared with about 45 per cent in the 1934-38 period and 48 per cent last season.

The committee estimated world consumption this season will be slightly more than 29,000,000 bales compared with 28,600,000 last season.

The United States is expected to use about 38 per cent of the world's production.

Mr. and Mrs. Earl C. McFarland and son Douglas, Thomas Leonard, Mr. and Mrs. D. C. York, Edith York and John Thomas La Cook spent Sunday afternoon visiting in the home of Mr. and Mrs. E. R. Hearne and family in Caldwell.

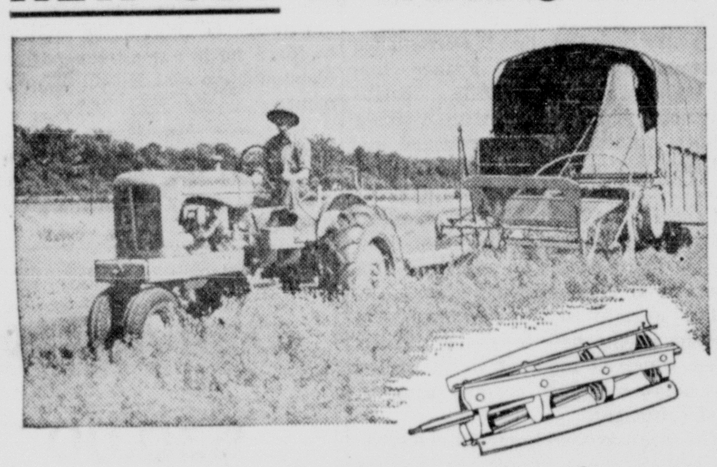
## Poage Plant To Start Commercial Operation Monday

The Bob Poage steam-electric generating plant on the Leon between Temple and Belton is scheduled to start commercial operation at 8 a. m. Monday, F. W. Winter, resident engineer, said.

Mr. Winter said that up to now the plant has been in preliminary operation while machinery and equipment was being adjusted .

The boiler will be fired up at midnight Sunday and the turbine-generators are scheduled to be turned on by 8 a. m. Monday and will start sending power into the transmission lines running from the plant.

NEW CUT in feeding costs



Full 36-inch wide cylinder. Built-in sharpener.

Look to FORAGE for savings on feed in 1950. Now you can cut and chop every type of forage crop with low-cost, two-plow power. Move each load from field to storage in minutes. Handle high-tonnage feed with a new, low investment in equipment, man-power and time.

The Allis-Chalmers 3-in-1 FORAGE HARVESTER — one base machine, plus any or all of three moderately priced attachments — gives you:

1. Direct-Cut Harvester for grass and legume silage.
2. Windrow Harvester for chopping wilted or dry hay.
3. Row-Crop Harvester for corn, sorghums and other tall row crops.

# Hundreds Tell Bob Wills Of Hadacol's Numerous Blessings

Hundreds of folks, who are benefiting every day from taking HADACOL meet at the Trianon Building in Oklahoma City where Bob Wills, famous band leader, and his Texas Playboys broadcast each noon for HADACOL.

"It looks like all my fans are getting wonderful benefits from HADACOL," said Wills. "It is a real pleasure to broadcast for HADACOL because the folks taking HADACOL are so enthusiastic that I feel like I am performing a real service for mankind."

Hundreds have told Wills of the blessed benefits of HADACOL and the following statement by Miss Betty Lou Lobb, 720 College St., Bethany, a well known singer, is a good example.

"I was tired, run down and lost my appetite. I suffered with gastic disturbances. I had tried almost everything but it didn't seem to help me. I had heard about the wonderful results HADACOL had been bringing to so many of my friends. Soon after taking HADACOL I was feeling much better, had no gastric disturbances and had a wonderful appetite. I am no longer nervous. I am sure that HADACOL has helped me a great deal and I recommend it to my friends."

Miss Lobb suffered with a deficiency of B Vitamins and important Minerals which HADACOL contains.

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heartburns, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and the Minerals which your system lacks.

HADACOL contains not only one, but 5 of the B Vitamins. HADACOL contains not only one, but 4 of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

It is easy to understand, therefore, why countless thousands have already been benefited by this amazing tonic, HADACOL.

So, it matters not who you are . . . it matters not where you live . . . or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives again because HADACOL supplied the Vitamins and Minerals which their systems needed. Be fair to yourself. Give HADACOL a trial. Demand the genuine HADACOL. Accept no substitutes.

### Bob Wills Hears About HADACOL'S Blessings

**Bob Wills, famous western music band leader, loves to talk with his fans at the Trianon Building auditorium in Oklahoma City about the blessings of HADACOL. In the picture above Miss Betty Lou Lobb, 720 College St., Bethany Okla., a very promising young singer, tells Bob how HADACOL has helped her. Hundreds of folks who are obtaining rich blessings from the precious B Vitamins and Minerals in HADACOL visit Wills each week for his network broadcast, which is originated from KBYE, Oklahoma City, Oklahoma's western music station, and sent over a leased wire to stations, KRMG, Tulsa; KWHN, Fort Smith; KGLC, Miami, Oklahoma; KLYN, Amarillo, and KWFT, Wichita Falls.**

# RURAL AREAS LEAD IN CRIME INCREASE

Crime is on the increase in Texas. And peculiarly enough the crime increase ratio is greater in the rural areas than in the "big, wicked cities."

Based on figures compiled by the Texas Department of Public Safety regarding the seven major crimes, the incidence of criminal activities has gained 9.9 per cent in the past year.

Rural areas show an increase in crime at the rate of 10.5 per cent, where the increase in crime in cities of over 2,500 population has shown an increase of 9.8 per cent, one-tenth of one per cent less than that of the entire State.

Many more crimes, of course, were committed in the cities than in the rural areas, but it is interesting to note that the incidence of increase in crime is growing greater in the rural areas.

This would tend to show that criminals have found a source of income outside the city limits of Texas towns.

A total of 91,369 crimes were committed during the year of 1949, with 70,005 of these being committed inside city limits, and 21,364 in the rural areas .

Three of the major crimes show a larger amount of activity in the rural areas ,however.

Murder, rape and aggravated assault led in the rural areas, with the other four major crimes, robbery, burglary, theft and auto theft being more prevalent in the cities.

It is also interesting to note here that crimes against the person—murder, rape and aggravated assault—are more prevalent in the rural areas while crimes against property—theft, auto theft, burglary and robbery—are more frequent in the city areas.

## Over 5 Million Bales Ginned In Texas In '49

Texas' 1949 cotton crop yielded almost twice as many bales as the year before. The crop last year amounted to 5,859,727 bales ginned, compared with 3,062,823 in the previous year.

The Census Bureau's preliminary figures for the 1949 Texas cotton crop, released Sunday, also disclosed that Lubbock County was the big state leader in the number of bales ginned last year. Lubbock County ginned 261,495 bales, compared with 126,413 from the 1948 crop.

Second place was taken by Cameron County, with 218,972 bales, against 111,919 the year before. Hockley County came in third, ginning 202,088 bales last year and only 71,324 in 1948.

## Cameron School Head Aids Evaluation Group

W. T. Hanes, superintendent of Cameron schools, was one of 20 school officials who conducted an evaluation program at the Mineral Wells schools last week. Mr. Hanes was chairman of the committee to evaluate the administration and staff of the school.

Dr. D. D. Jackson, head of the education department at Texas Tech, was in charge of the program.

CHRISTIAN SCIENCE SERVICES

"Unreality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 2.

The Golden Text is: "Surely God will not hear vanity, neither will the Almighty regard it" (Job 35:13).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "For the eyes of the Lord are over the righteous, and his ears are open unto their prayers: but the face of the Lord is against them that do evil" (I Peter 3-12).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Ignorance of God is no longer the stepping stone of faith" (preface vii).

## Turkey Poult Care Discussd By Agent

There is nothing mysterious about brooding turkey poul s and neither does luck enter into the success of the operation, says J. D. Moore, County Agent.

Sanitation is mighty important and the brooder house is a good place to start the clean up program. It should be cleaned thoroughly from top to bottom, disinfected and if possible, moved to clean ground. The brooder, all feeders, waterers and other equipment should be cleaned and disinfected well in advance of the arrival of the poults. The brooder, says Moore, should be set up and put in operation a few days before the poults arrive. Be sure it is opera ing at the correct temperature. Moore recommends the use of a brooder guard. It will keep the poults near the brooder and thus keep down possible losses from chilling. The guard can be made of hardware cloth or heavy paper. It should surround the brooder, be about 18 inches high, and placed about 2 feet from the brooder.

Turkey poults need room when they start growing and Moore says each should have at least one square foot of floor space. The floor should be covered with a good, deep highly absorbent litter. Ground corn cobs, sand, shucks, shavings, or cane litter all work fine so long as they are kept dry. The house should be properly ventilated to insure plenty of fresh air for the birds.

Here is a little trick that may help you get poults started to eating early. Moore says if you'll place brightly colored marbles in the water fountains and in the feed troughs, curiosity on the part of the poults will usually start them to pickin\ at the marbles and thus eating and drinking.

Many turkey producers cover the litter inside the brooder guard with paper or sacks for the first week to keep the poults from picking up and eating the litter instead of the feed that they need. The cover should be removed as soon as the poults learn to eat and drink. Plenty of water and feeder speace will help get them started right, Moore adds.

Turkey poults require more protein in their diets than do baby chicks says Moore and generally the most successful producers are those who buy a good commercial feed and follow the manufacturer's recommendations on feeding it. Plenty of good clean water should be provided for the poults several times each day and finally says Moore, keep them warm and follow a strict sanitation program all the way—from the time they arrive until they are ready for market and don't mix them with chickens .

## Herman Sweat Charges Answered By State

Attorney General Price Daniel today filed in the United States Supreme Court Texas' answer to the charges of Herman Marion Sweatt, Houston Negro seeking admittance to the University of Texas law school.

In 127-page brief, the State asked that the court abide by a previous decision in which it held that school segregation of the races was "within the constitutional power of the State Legislature to settle without intervention of the Federal courts . . ."

## S. S. Representative To Be Here April 4

A representatives of the Social Security Administration Field Office in Austin will be in Cameron on Tuesday, April 4, at the Department of Public Welfare at 1:00 p. m.

## Gatesville Man Killed As Barn Roof Blows Down

Raging March winds Monday claimed the life of a Gatesville farmer, bloted out the sun with huge clouds of dust and ripped down light wires and trees throughout Central Texas.

Bee Smith, 47, was killed when the roof of a neighbor's barn blew loose and hit him as he was standing 100 feet away from the wooden building. Doctors at ributed his death to a broken neck .

The accident occured on the farm of Charley Jones, who lives about 13 miles northwest of Gatesville.

Relatives said he had been working for Jones, went to the barn, unhitched a team of mules and was leaving to go home at noon when the accident occured.

Funeral services for Mr. Smith, a lifelong resident of the Gatesville area, are pending .

He is survived by his widow; two sons, Douglas Wade, 8, and James Roy, 4; five brothers, Henry Smith of Fort Worth, Harve Smith of Waco, Fred Smi h of Turnersville, Barton Smith of Emory and Barney Smith of Dumas; one sister, Mrs. Hattie Barker of Turnersville.

The highest gust recorded Monday was 50 miles per hour. The highest steady wind was 48 miles per hour.

For five hours Monday afternoon, visibility was limited to one and one-half miles by he choking dust storm.

A pilot flying above Waco Monday said he had to go up to 11,000 feet to get on top of the dust cloud.

Officials of Texas Power and Light Co. said they received reports of lines down at spotted poin s over cities and in rural areas also.

Mrs. Rosa Kemp Adams has returned to her home in Houston after spending several days here in the "Kemp Home" on West Main.

Mr. and Mrs. Dave Rogers of Hous on and two children were week end visitors in the home of Mr. Roger's mother, Mrs. Sudie Rogers.

THINK IT OVER!

When someone stops advertising, someone stops buying.
When someone stops buying, someone stops selling.
When someone stops selling, someone stops making.
When someone stops making, someone stops earning.
When someone stops earning, someone stops buying.

All of which preaches a powerful business lesson to every American who is interested in helping to maintain our high standard of living.

The Cameron Herald

## Sen. LeBlanc Continues Rationing of Hadacol

The continued increasing demand for HADACOL, one of the truly great medical discoveries given to the world by Senator Dudley J. LeBlanc, has made it necessary to decrease the ration allowance on HADACOL from six bottles to two bottles.

"We placed the limit at two bottles to a customer only after trying every other alternative," said Senator LeBlanc. "The demand for HADACOL has increased 100 per cent in the past year as more and more people have learned the blessings of its five B Vitamins and four important Minerals. Despite our new $250,000 plant equipped with the most modern machinery and our fleet of 30 great trucks to speed delivery, we just cannot keep up with the demand.

"We placed a ration limit of six bottles to the customer several weeks ago but still cannot catch up with production. Our 300 employes are working shifts around the clock but one bottleneck after another comes up. We expect to lick them all but meanwhile we are asking our customers to have patience and accept no inferior substitutes.

"For instance, when I created HADACOL I read every available authoritative medical and drug book in order to use the very finest ingredients regardless of cost. For instance, I read on page 234, U. S Dispensatory, 23rd edition, that 'Theoretically Calcium Glycerophosphate should for many purposes be superior to most other calcium salts because it represents both calcium and phosphoric acid in a soluble combination.'

"Little did I realize when I made Calcium Glycerophosphate a part of the now famous HADACOL formula that in time the demand for this great medical discovery—HADACOL—would be so great that we would use up the entire available supply in the United States of this product. But that is exactly what we have done and great plants throughout the nation are now working to increase their facilities to expand production of this essential ingredient which blends with other expensive products to help so many million suffering people in distress."

Yes, in HADACOL Senator LeBlanc envisioned the medicine that would bring blessings to folks of all ages, and in perfecting this formula he worked in his own small laboratory, sometimes 18 to 20 hours a day. Perhaps others could have placed the same ingredients in a medicine, but it remained for him to develop a formula which contains the most expensive ingredients of their kind. For instance, he uses Vitamin B-6 which costs at the factory $550 a kilogram, which is less than half a gallon.

M. Ashley, Chevrolet Sedan.

## HEALTH LETTER

The Texas State Department of Health's program of teaching food handlers sanitary methods of preparing and serving food continues to be very popular, according to Dr. Geo. W. Cox, State Health Officer. It is one method of attack on that great group of espiratory diseases which influenza ,scarlet fever, measles, whooping cough and the common cold, the viruses of which are spread from person to person by the excretions of the nose and mouth.

Restaurant sanitation programs have become more necessary because of changes which have taken place in our national eating habits. Once upon a time it was customary for most people in Texas and in the U. S. A. to eat three meals a day at their own table. To "eat out" was an unusual and exciting event. Now, all the family, including the baby eat out.

In this constant mingling of people to eat and drink there exists a vast and complicated arrangement perfectly designed for exchange of saliva via cups, glasses, spoons, forks and fingers that go in and out millions of mouths. There are few hours in the day in any community when these vectors of respiratory and other diseases are not busy.

The prime purpose of restaurant sanitation is to have all dishes and utensils sterilized and to have all those who handle or serve food understand and practice restaurant sanitation every day and all the time.

The public in every community needs to be concerned about the cleanliness of its public eating places. You can help by demanding cleanliness in the places you eat.

## YARRELLTON NEWS

MRS. LENA RUSSELL

Mr. and Mrs. Amel Marek and family of West are visiting in the Ladis Klapka home and with other relatives at Buckholts and Meeks.

Mrs. C. E. Russell visited in Cameron Tuesday afternoon with mesdames W. D. Timerson and Joe Parker.

Mr. and Mrs. Hal Massey of Maysfield visited in the home of Mrs. Minnie Russell last Friday night.

Misses Annie Belle Marek of Buckholts spent the week end with Evelyn Klapka.

## John Woods Attending University of Houston

John (Jake) Woods, a Milano resident, is this year trying for his second baseball letter at the University of Houston.

A hard-hitting third baseman, Woods graduated from Brenham high school in 1946. He attended Blinn junior college and lettered two years in baseball and basketball before coming to Houston.

In the Cougars' first two games this season, played against the Texas Aggies, Woods batted clean-up position and hit four of the eight times he came to bat, besides turning in a good fielding job.

The 21-year-old Woods is a senior business administration student in the University.

Mr. and Mrs. Rice Dennis were visitors in Rockdale Saturday.

Mr. and Mrs. Luther Kerns of Hearne visited their parents, Mr. and Mrs. Tom Tabor Sunday.

### WHAT IS YOUTH

You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear, as young as your hope, as old as your despair.

## Future Homemakers On Program At Area Meeting In Temple

Charlotte Collins, Kate McLane, Betty Clark, Jo Ann Carter, and Edith Baldridge represented the Cameron FHA Chapter at the Area Meeting of the Future Homemakers on March 18, in Temple. Charlotte, Kate Betty, and Edith appeared on the program by giving a skit on "What to take to Camp," with Kate McLane appearing as Fanny Forgetfulness, our dizzy freeshman who did not know the proper articles to take to camp, and Charlotte Collins, Pamela Preparedness, and Betty Clark, Ella Eveready, as the Seniors who knew all the catches to going to camp with Edith Boldridge serving as narrator. This camp is the annual encampment for the Future Homemakers of central Texas at Burnett, Texas near Buchanan Dam which is to be held in June. Since many girls are looking forward to attending the camp this year, the members of the program committee thought it would be interesting if skits were given to inform the girls on the different phases in preparing to attend camp.

The girls gave the skit also at the district meeting in Caldwell which was held in February. They were chosen the most outstanding from the four skits given and were asked to give their skit in the area meeting.

The girls were fortunate to have this opportunity as they received valuable experience in appearing in public while broadening their views of homemaking as carried on by other chapters.

Richard Moseley made a buying trip to Dallas Thursday of this week. Mr. Moseley is manager of Burris-Moseley Variety Store here.

Mrs. Sue Welburn from Greenville spent the past week end in the home of her parents, Mr. and Mrs. Melvin Weems.

## GILMER-AIKEN COST TO EXCEED ESTIMATE

AUSTIN, March 22 —The state will spend about five million dollars more this year on the Gilmer-Aikin school program than the Legislature expected.

Luckily, income will exceed expectations by about the same amount.

One year ago, sponsors estimated the school aid plan would cost $180,000,000—$135,000,000 state and $45,000,000 local funds.

L. P. Sturgeon, associate commissioner of education, said Wednesday the actual first-year cost will be about $182,000,000. The state will pay five million more and local districts two or three million dollars less than anticipated.

One hundred and twenty-six districts do not take part in the "foundation fund." This reduced the expected local contributions.

One East Texas oil field district, for example, rated $425,000 ability to pay on the "economic index." But it meets Gilmer-Aikin standards for $125,000 a year and saves $300,000 by staying out of the state-wide money pool.

Most of the 126 nonparticipating districts operate one-teacher schools with fewer than fifteen students daily. Sturgeon expects most of these will qualify for aid next year.

The state's money for schools will be more than expected because (1) tax income remains high, and (2) the Legislature levied additional taxes for hospitals.

One fourth of most taxes goes to the available school fund. The special hospital taxes will put $1,250,000 into the school fund by Aug. 31 and another $2,500,000 next year.

Because of tax prosperity, school districts will get $50 to 51 for each student from the state. instead of $48 they expected. The extra money will total four or five million dollars.

This reduces the amount needed from the foundation fund by which the Gilmer-Aikin program guarantees basic education to each child.

The trend will continue next year, Sturgeon believes.

"The cost will be higher because of larger attendance and increased birth rate," he commented. He hopes income will rise, too.

The state this year actually will spend about thirty million dollars more on public schools than it did last year. Some rival plans in the Legislature proposed greater increases than Gilmer-Aikin. Beside payments to the foundation fund, local districts will put up forty to fifty million dollars for extras which the Gilmer-Aikin program does not provide.

The money pool is shared by 2,366 districts. They pay 44,546 teachers an average of $2,925 each. Sturgeon estimates consolidations next year will reduce districts to 2,000. But more teachers will be needed, since a 50,000-pupil increase is expected in average daily attendance.

This year attendance averages 1,107,949 from 1,554,070 school-age children.

Besides classroom teachers, the Gilmer-Aikin program pays 2,087 vocational teachers, 1,066 superintendents, 919 principals, 1,445 special service teachers, 538 supervisors and counselors and 194 persons who train handicapped children.

## U. S. Navy Recruiting Enlisting Men At Waco

The Navy Recruiting Station in Waco announced today that a large group of Central Texas men will be enlisted and sent to the Naval Training Center Monday 20th of March.

Any men in Cameron who are interested in being included in this group are urged to contact the Navy Recruiting Station in Waco at once.

To be eligible for enlistment a man must be between the ages of 17 and 31 and be in good physical condition. He must also make a passing mark on the Armed Forces Qualification Test.

A large number of service schools are now operating and a number of openings are available.

In many cases former Navy men may be reenlisted in their old rate regardless of the time they have been out of the Navy, men with prior service in other branches may in some cases be enlisted in a pay grade equal to their former rank.

Various types of booklets of information are available at the Cameron Post Office or full particulars may be obtained at the Navy Recruiting Station in the Waco Post Office.

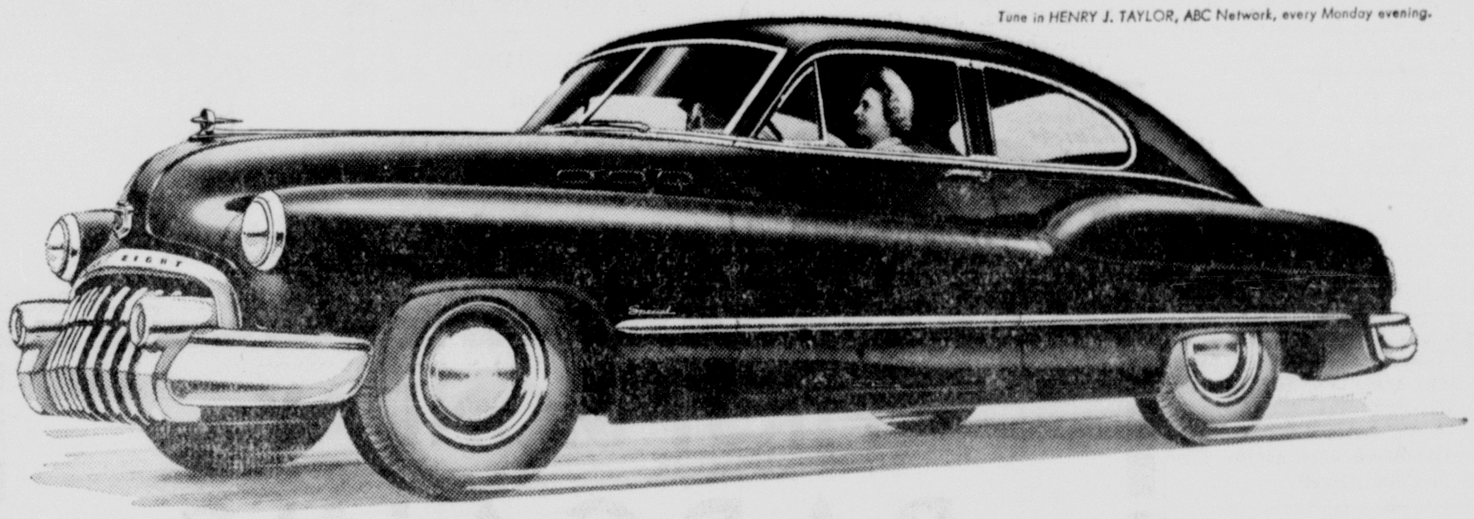
IT'S SPRING.
TIME FOR A NEW PERMANENT!
Usher in a new season with a new hair-do—for a lift in spirits for sheer loveliness!
LALLA MEYERS BEAUTY SHOP
Phone 90

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.



Your Budget, too, says
"WELCOME, SPRING!"

How about it—got that "new-car" fever?

Got a hankering to take hold of a brand-new wheel—touch off the power in a smooth, firm, lively new engine—set out to meet spring in fresh new styling and sparkling colors?

Got a suppressed desire to make it really something good this time—and step away in a Fireballing new Buick, with all its room and comfort and standout styling?

Well—why not?

You know there's no better buy you can make—and no wider choice than you're going to find among Buick's array of beauties for 1950.

You know there's no livelier action—no smoother ride — no roomier comfort for the money than you'll find right here.

And if you don't know it—we'd like to repeat this:

If you can afford a new car, you can afford a 1950 Buick.

The SPECIAL's prices start just above the lowest bracket. You can choose between thrifty standard-finish models — and de luxe versions a bit richer in trim and outside finish.

You can have a Coupe, two-door or four-door models—sleek-lined jetbacks or tourbacks with roomy luggage compartments.

You can dress them up, if you like, with a long list of added equipment—including 1950 Dynaflow Drive* for instance—or hold the list down to the essentials everyone wants.

And your budget is going to find continuing reason to be content that you blossomed out in a Buick.

For in the hands of owners, the SPECIAL is proving thrifty to run as well as thrifty to buy—and what more could you ask?

Which suggests—why not see your Buick dealer now and ask him the exact details and prices, trade-ins, delivery and terms?

Only BUICK has Dynaflow and with it goes:
HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.
YOUR KEY TO GREATER VALUE

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

From where I sit ... by Joe Marsh

"Curfew Shall Not Ring Tonight"

Our ten o'clock curfew lasted for 50 years, but the town council voted it out. I dropped in at the meeting in Town Hall last week just in time to hear Smiley Roberts.

"The curfew is old-fashioned," says Smiley. "We ought to be grown-up enough by now to behave like grownups. Seeing to it that our kids get to bed is the responsibility of each family." Then Judge Cunningham adds, "Most of us are in bed when the curfew horn blows anyway. It wakes me up just when I'm getting to sleep!"

What the Judge said was good for a laugh, but Smiley just about summed up how folks think in this town. We believe that the democratic tradition of "live and let live" is the *only* way to live.

From where I sit, it's not the American way to regulate your life by a horn—anymore than it's right to criticize *my* caring for a temperate glass of beer now and then. Think what you wish, say what you wish, but don't ask your neighbor to do exactly as you do!

Joe Marsh

# PRICE DANIEL ARGUES FOR TEXAS TIDELANDS

WASHINGTON, March 28—Attorney General Price Daniel of Texas went before the Supreme Court to plead for a jury trial or a District Court hearing in the Federal Government's suit to gain control of oil-rich tidelands.

Texas and Louisiana joined in making the request.

Attorneys for Louisiana in oral arguments yesterday said their State is entitled to a jury trial on the merits of the case.

Texas told the court in a 107-page brief that it should have either a hearing before a special master or a District Court. Court attaches said the Texas brief was one of the largest ever filed with the court.

The Texas Attorney General was to supplement the brief with arguments today.

Arguments which the Court is hearing are technically on a Department of Justice motion asking a Supreme Court decision in its favor on the strength of briefs filed.

The Federal Government asked the court to be given title or paramounts rights and full dominion over submerged lands which the two States claim as far out as 27 miles from shore.

Texas and Louisiana lease some of the land for oil development and collect large sums in oil royalties. The Government also asks an accounting of this money.

The Texas brief contends that its title to the submerged land goes back to the days of the Republic of Texas, that Texas boundaries were fixed to include three-leagues of submerged lands and that the State retaine dtitle to this land. A league is defined as being between 2.4 miles and 4.6 miles.

The Government case was based on the court's 1947 ruling which held that the United States had paramount rights in the full dominion and power over similar lands of the California Coast.
